continuously with
GROW Coaching &
PATHFINDER
framework

From Feeling Stuck to Career Success

TODAY'S JOURNEY

Why am I not progressing?

What is really holding me back?

What can I do differently?

How can I make a greater difference?

Career success begins when you take **ownership** of what you can change.

STEPDEX®

STRATEGY • TECHNICAL • EMPOWER • PEOPLE

What is the biggest career question you hope to answer today?

Write down one question.
Keep it with you until the end of the session.

Clarity today. Direction tomorrow.
Success on your terms.

Why do people feel **stuck** in their careers?

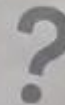

Salary growth
is too slow

Limited
exposure

No promotion
opportunities

Company does
not invest in me

Poor manager
or leadership

Industry or economy
is changing

Office
politics

Family or personal
constraints

Which of these have you experienced—
or heard others talk about?

*How many of these are fully
within your control?*

Salary
increment

Promotion
opportunities

Boss or
leadership

Office
politics

Company
investment

Industry or
economy

Exposure
opportunities

Family
constraints

?

Can we
fully control
these?

Raise your hand if you can
fully control any of these.

Focus on What You Can Influence

You may not control the environment, but you can strengthen the person navigating it.

Which circle receives *most of your energy* today?

Shift your focus.
Own your growth.

If the problem is **internal readiness**, what should we examine?

STEPDEX helps us diagnose ourselves across four essential dimensions.

Which dimension may be
limiting your growth today?

Strategy
Direction

Technical
Capability

Empower
Ownership

People
Connection

Four Questions for Career Readiness

Pause. Reflect honestly. Where do you stand today?

S

STRATEGY

Am I thinking ahead?

The ability to plan ahead, make decisions under uncertainty, and align with long-term goals.

Ask yourself:

- Do I understand the bigger picture?
- Do I anticipate changes and prepare?
- Are my actions aligned to my goals?
- Do I seek opportunities or wait for them?

T

TECHNICAL

Am I capable enough for the next level?

The ability to master knowledge, skills and attitude to deliver excellence consistently.

Ask yourself:

- Do I have the right knowledge and skills?
- Do I deliver quality and solve problems independently?
- Do I keep learning and upgrading myself?
- Do I manage my time and priorities well?

E

EMPOWER

Am I taking ownership?

The ability to take initiative, hold accountability and empower others to thrive.

Ask yourself:

- Do I take initiative without being told?
- Do I own my results and learn from mistakes?
- Do I empower and trust others?
- Do I look for solutions, not excuses?

P

PEOPLE

Am I building trust and influence?

The ability to communicate effectively and build positive, trusted relationships.

Ask yourself:

- Do I communicate clearly and listen well?
- Do I build trust through consistency?
- Do I collaborate and influence positively?
- Do I value others and build strong relationships?

There is no perfect score. The goal is awareness.
Know your **STEP**®. Strengthen deliberately. Grow continuously.

There is no perfect score. The goal is awareness.
Know your **STEP**®. Strengthen deliberately. Grow continuously.

The Key Is Now in Your Hands

You now have greater clarity.
Your next career move depends on the action you choose.

Within the next 7 days...

I commit to taking this action:

Unlock
one
opportunity

Take
one
action

Create
one new
result

Knowledge opens your mind.
Action unlocks your future.

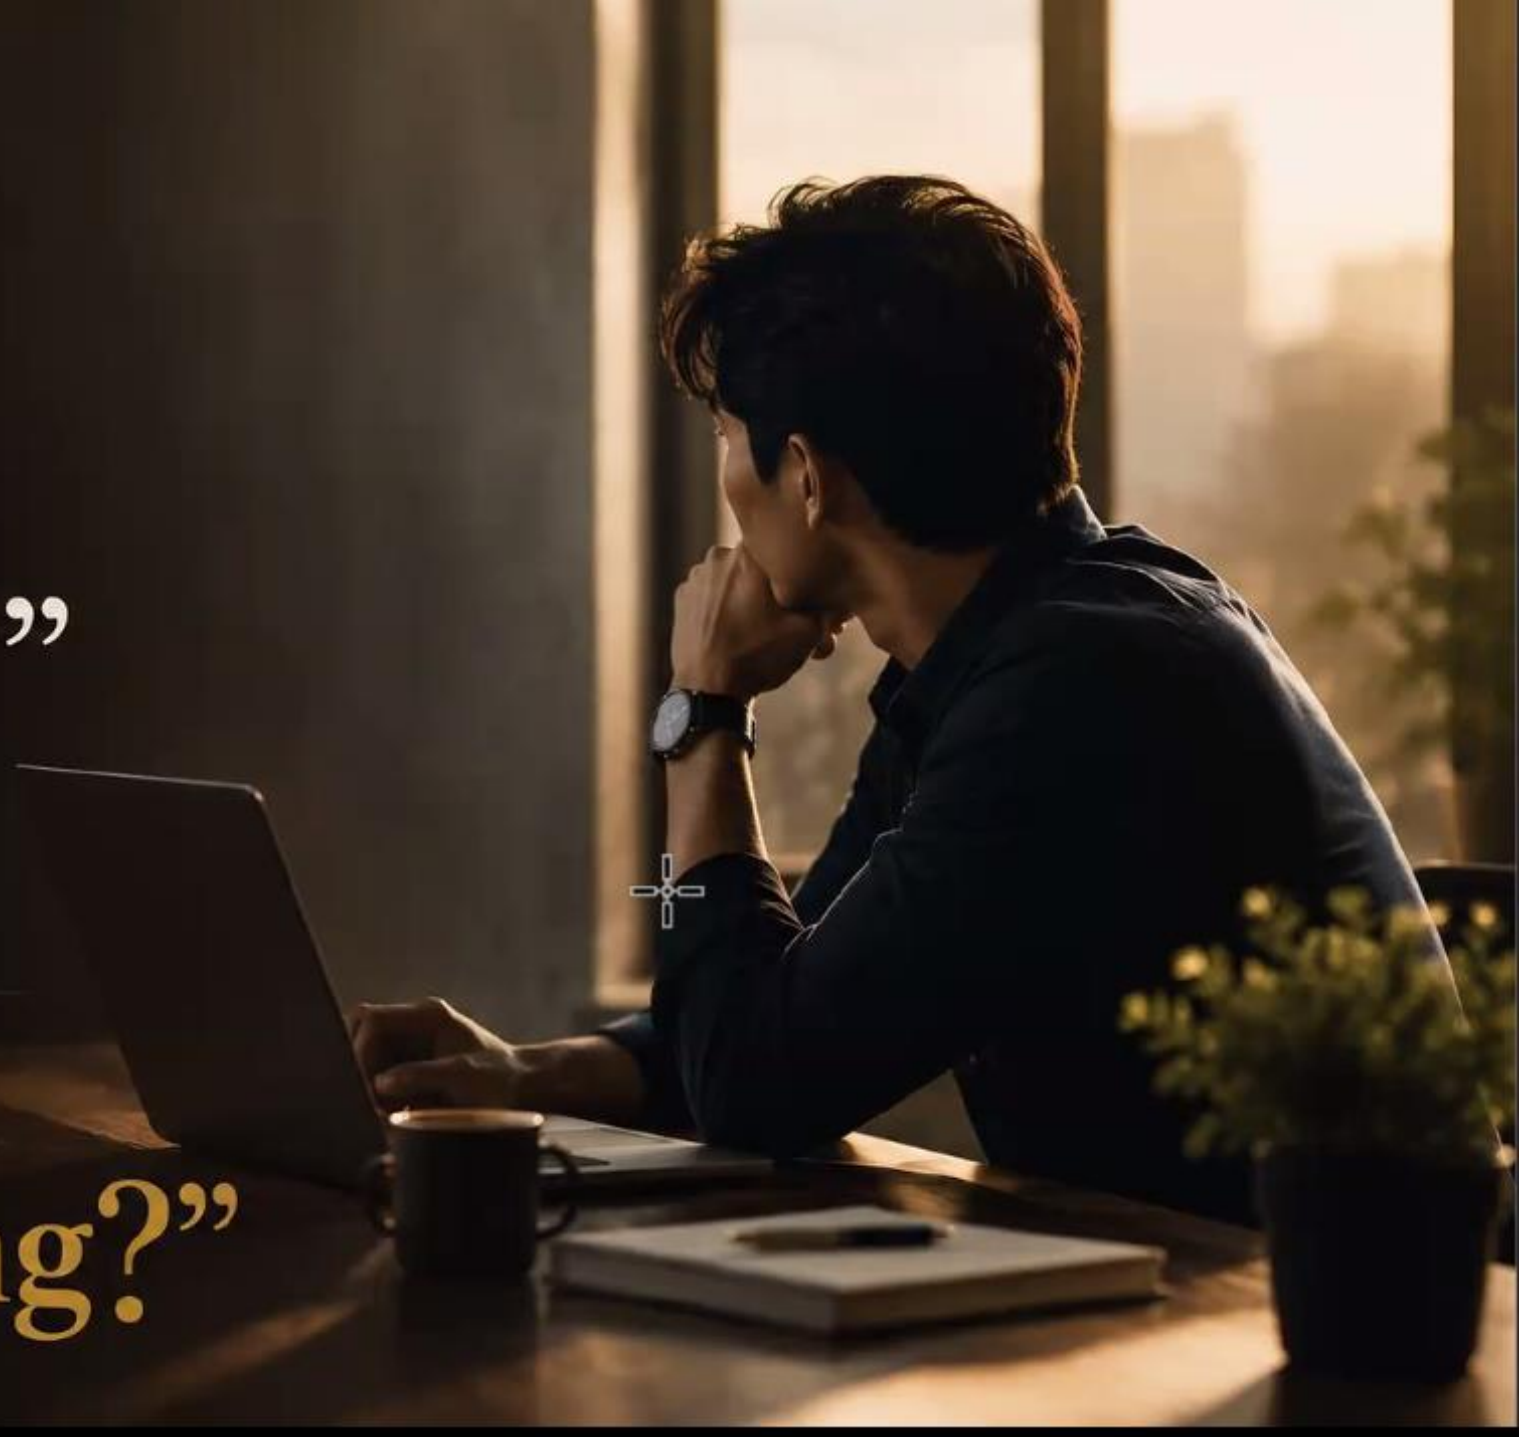

People often ask...

“Why isn’t
my salary
increasing?”

A better question is...

“What value
am I creating?”

Choose Your Pathfinder Journey

Every step you take today shapes the future you create.

Explorer

I'm still
discovering.

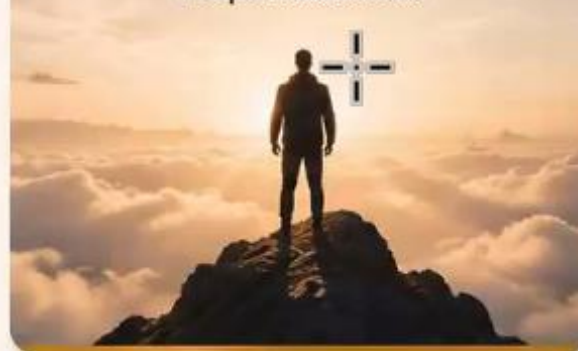

Builder

I'm developing
myself.

Pathfinder

I'm ready for bigger
responsibilities.

Multiplier

I'm helping
others grow.

Which journey *begins today?*

Your path. Your choice. **Your future.**

Career success

doesn't happen by chance.

It happens
one decision...

one action...

one STEP
at a time.

You've got this.
